

MOTION BY SUPERVISOR DON KNABE

August 18, 2015

Our offices have received various complaints regarding the County’s Animal Shelters and the care that is provided at these facilities. An investigation is needed to verify the allegations and for the County’s Director of Animal Care and Control to take immediate action to ensure the safety and cleanliness of our shelters.

I, THEREFORE, MOVE that the Board of Supervisors direct the Interim Chief Executive Officer in coordination with the Director of Animal Care and Control to fully investigate all allegations made and report back to the Board of Supervisors in 15 days with a specific action plan to improve our facilities and customer service, and ensure accountability within our shelters.

I, FURTHER, MOVE that a system be immediately established allowing the public to provide feedback either by phone, on-line, in writing or in person in order to ensure that our animal shelters are providing a safe and clean environment and for these complaints to be investigated in a timely manner.
